Re: Testimonial

To Whom this my concern:

I have been a patient of
your office for well
over 9 years. I was
referred to Dr. Ostad by
a colleague who had
a cancerous mole removed
on her face with great
results.

Since 2001 I have received
both cosmetic services
(laser treatments) and
surgical procedures for
the removal of many
moles. Each one ~~has~~ ^{having} it's

(2)

own story to tell in
his lab results. I have
been very pleased with
the world class service
that has been provided
by both Dr. Ostad and
Ms. Pitter. Before I
met Ms. Pitter I was
not aware of the role
of Physician Assistant.

My first meeting with
Ms. Pitter was actually
a last minute opportunity
when I showed up at
the office and found
that Dr. Ostad was delayed
due to his surgical schedule.

I found Ms. Pitter to
be professional and
well skilled, and since
that visit I have chosen
to continue to seek
treatment with her.

I would like to also take

(13)

the opportunity to
thank both the nursing
staff and administrative
offer staff for their
help and assistance
over their past few
years.

I wish you all a happy
and healthy 2010.
